1

Ciara | Music

An excellent Newly Qualified Teacher of Music who has the ability to teach her chosen subject up to A' level standard. Ciara qualified in 2008 and had gained extensive experience prior to starting her PGCE course as an Instructor Teacher and Private Tutor. Her specialist instruments include: piano/keyboards, guitar, double bass and flute, in addition to being able to teach vocals. To date, she has taught in accordance with the OCR, BTEC First Diploma and BTEC National Diploma boards' syllabi. Her knowledge of Music Technology is of a high standard and she has thorough knowledge of Sibelius and Cubase.

2

Martin | Design Technology

A well educated teacher of Design Technology. Martin has completed a PGCE in Secondary Design & Technology and a BA (Hons) in Glass, Architectural Glass and Ceramics. Martin's specialist subjects include Resistant Materials, Electronics, Product Design and Graphics to GCSE and A' level. In addition, he also teaches Art and Design to Key Stage 4. An excellent classroom manager, Martin receives excellent feedback. He is happy to assist with general cover and extra curricular activities.

3

Steven | Biology and General Science

Steven is an excellent Teacher of Science who can teach Biology up to A' level, in addition to Chemistry and Physics up to GCSE level. Having experienced all levels of the secondary National Curriculum, Steven is able to teach his specialist subject to all abilities including GCSE and A' level examination groups. During his placements Steven also taught SEN pupils, low ability groups, gifted and talented, mixed and single gender classes of all abilities, achieving good results. Steven has excellent subject knowledge and keeps up to date with developments within his specialist subjects.

4

Ian | ICT and Business Studies

Ian qualified in 2005, specialising in ICT. He has excellent subject knowledge and has gained positive and valuable experience. Ian's greatest achievement to date has included increasing the Key Stage 4 examination grades by 8 per cent in his first year of teaching, continuing this success by 42 per cent. Ian has excellent knowledge of Visual Basic, Macromedia, Flash, Dreamweaver, Office Star, FrontPage, Open Mind, Publisher, Desk Top Publishing, Word, Excel, Access and PowerPoint. He has continued to develop throughout his teaching career and has taught outside of his subject area with ease. This has included transferring his ICT knowledge in order to teach Resistant Materials to Key Stage 4 pupils for a number of years.

5

Liz | Food Technology and Child Development

An enthusiastic teacher who is described as a good classroom manager by her references. Liz teaches Food Technology to A' level, Child Development to Key Stage 4 and Textiles to Key Stage 3. Liz is very organised and has received praise for her planning and marking. Liz has set up successful extra curricular activities and attended school trips. This has included healthy eating cookery clubs, Young North West Master Chef Competition, The Clothes Show, a Key Stage 4 school fashion show, breakfast club and fundraising events.

6

Steven | Leisure and Tourism

A dynamic NQT who teaches the vocational subjects of Leisure, Tourism, Hospitality and Outdoor Education. Steve is passionate about teaching and has completed numerous extra curricular certificates which would allow him to be a fully active member of school activities and residential trips. Steve would fit in well with any school ethos and comes highly recommended. Steve is an extremely competent teacher with feedback stating, 'he will make a worthwhile and valuable contribution to any school in which he is employed in'.

7

Brian | Physical Education

An excellent teacher of practical and theory based Physical Education with experience of teaching GCSE (applied and core), A' level, BTEC (First and National), CSLA and JSLA qualifications. Brian can confidently teach all winter and summer sports to all ages and abilities from Key Stages 1 to 5. He is a keen sportsperson and is interested in a wide range of sports including: rugby, football, basketball and gymnastics. Brian has had responsibility for extra curricular sports clubs, organising fixtures, umpiring at matches and has assisted with the organisation of numerous sports trips.

The Teaching Executives have a number of qualified teachers who are available immediately to complete daily, long-term, contract or permanent supply positions

8

Clare | Physical Education

Clare has successfully completed a PGCE in Secondary Physical Education in 2008 and a BA (Hons) Degree in Sports Studies in 2005. Clare has been deemed an NQT of a high standard, who will make a significant contribution to the teaching profession. Clare has the ability to teach Physical Education to Key Stage 3, 4 and 5 including: GCSE, BTEC and A' level. A keen sportsperson, Clare excels at trampolining, netball and climbing, which has guaranteed her a place in the North West Team competing at regional level. Clare has good overall knowledge of all winter and summer sports. She has gained experience teaching dance to Key Stage 3, in addition to gymnastics, swimming, badminton, netball, fitness, gym, basketball, cross country, hockey, athletics, rounders, dodge ball, tennis, football and tag rugby to pupils aged 11 to 18 years old.

9

Lana | Dance

A qualified Dance specialist with UK Qualified Teaching Status who can teach her chosen subject up to A' level and Physical Education to Key Stage 3. Lana is very well educated in her field, completing a Graduate Teacher Programme in 2005 specialising in Dance to 11 to 18 year olds and a PGCE for post 16 students in 2002. Lana is passionate about her chosen subject and takes an active role with extra curricular activities. Her experience to date has included Key Stages 3 and 4, GCSE/A' level examination groups, mixed/single gender classes, ESL individuals, SEN pupils and gifted and talented. Lana holds a number of additional qualifications for Dance and Exercise including, Ballet/Modern Dance, Remedial Dance/Exercise, Aerobics, Step, Fitness Evaluation, Jiu-jitsu Green Belt, BAWLA and Gym Based Exercise.

10

Graham | Religious Studies

A much sought after Teacher of Religious Education, Philosophy and Ethics with excellent subject knowledge. Graham is an articulate and well educated individual. He has been awarded a First Class Honours Degree in Theology & Religious Studies, 'The Theology Prize from Liverpool Hope University College for Best Performance in Theology' and the 'Christ's & Notre Dame Prize for Best Performance by a Final Year Student'. Following a Graduate Teacher Programme in 2006, Graham successfully completed his NQT Induction period in 2007. Graham is able to offer a thorough insight into the curriculum having taught GCSE, A' level, full and short RE courses. In addition, Graham can provide extensive revision support having taught the Edexcel and AQA syllabi.

11

Sarah | History

A dedicated and proactive teacher of History who qualified in 2007. Sarah is passionate about her specialist subject and has demonstrated a thorough knowledge of the History curriculum. Sarah is able to confidently teach History to pupils of all levels and abilities, including GCSE and A' level examination classes. Sarah establishes a good rapport and encourages pupils, instilling confidence and always giving priority to their academic and social needs. Committed, dedicated and an excellent team player are just some of the compliments Sarah has been afforded. She has a calm, patient manner and is a strong classroom manager with a firm but fair approach.

12

Les | Mathematics

A well educated and highly motivated individual who has been awarded a PGCE in 2007, a PhD, MSc and a BA Honours Degree. Les' experience to date has included teaching Mathematics to Key Stage 3 and 4 mixed ability pupils. He has excellent subject knowledge and has the potential to teach his specialist subject up to A' level standard. A well organised individual, who plans well and differentiates according to ability, achieving positive results from his pupils. Les is a creative individual who ensures his lessons are interesting and pupils remain focused. His lesson delivery is excellent and a credit to the professional way he prepares his learning activities. An adaptable and hard working teacher with a reflective and calm approach.

13

Michael | English and Media

An excellent teacher of English Language, English Literature and Media Studies to A' level standard. Michael has excellent subject knowledge and has taught for a number of years. During this time Michael has gained management experience as a long term Acting Head of Department and a 2nd in department in each permanent position he has held. His greatest achievements have included excellent examination results and introducing Media and Film Studies as a new subject into schools and having continued responsibility for such popular courses. Michael has forged excellent links within the Media industry and has built strong relations with Media personnel who have attended schools at his request as guest speakers.

14

Richard | Chemistry and General Science

A former Head of Department, Richard is able to teach Chemistry up to A' level. In addition, Richard can confidently teach General Science and ICT up to GCSE level. Richard always prepares for lessons efficiently, using a number of resources to keep pupils motivated. Whilst structuring lessons, Richard always ensures that tasks are appropriate for the range and ability of pupils. Richard is a flexible and dedicated teacher who develops excellent relations with staff and pupils. References state "Richard fits in well and is approachable. He uses a variety of techniques to maximise his pupils' potential and is always willing to help younger and far less experienced colleagues."

15

Alan | Modern Foreign Languages

Alan has a wide range of experience in contrasting schools, including a successful single-sex school and a number of challenging schools. He can teach French up to A' level as well as Spanish to Key Stage 4 and German to Key Stage 3. He firmly believes that extra curricular activities should play an integral part in education and has run lunchtime booster classes. Alan is a reflective teacher which has been a great strength to him. He can quickly identify the strengths and weaknesses of each individual class, structuring activities to motivate and utilise their potential. He is dedicated and conscientious who thrives when working as part of a team.

16

Chloe | Art and Spanish

An enthusiastic and organised teacher who has been described as a good classroom manager. Chloe teaches Art up to A' level with a strong interest in Print Making, 3D, Sculpture, Painting and Ceramics. Chloe is also able to teach Spanish to Key Stage 4 and has set up successful extra curricular language clubs. A well travelled individual with great cultural insight, Chloe has also taught and studied in Mexico, Guatemala and the USA as part of a volunteer program. Chloe incorporates this experience into her lessons, achieving excellent results.

17

Paul | Physics and General Science

Paul has excellent subject knowledge of Physics which he is able to teach up to A' level, in addition to General Science up to GCSE level. Prior to starting his teaching career, Paul gained experience teaching Physics to students at Liverpool University and industry experience as Curator of the Planetarium at Liverpool's National Museum and Curator of Science at The Museum of Science and Industry, Manchester. A well educated individual, Paul has been awarded a PGCE, a Masters Degree and a Bachelors Degree. He teaches his subject with ease, ensuring lessons are interesting and enjoyable for pupils of all abilities.

18

Stephen | Business Studies and Economics

A well educated and experienced individual who has continued to develop throughout his teaching career. Stephen's specialist subjects include Business Studies and Economics to A' level and ICT to Key Stage 4. Stephen has taught across the full age and ability spectrum which has helped him to relate well to pupils of all backgrounds, cultures and levels in a positive way. Stephen has excellent knowledge of the UK National Curriculum and has been a GCSE Examiner for Edexcel for a number of years. He is a flexible, organised and committed teacher who plans his lessons to a very high standard.

19

Jennifer | Geography

Jennifer has gained 5 years experience teaching Geography up to A' level and Humanities to Key Stage 3. She has excellent subject knowledge and uses a range of successful monitoring and assessment strategies to evaluate pupils' progress. Having taught all abilities, Jennifer is able to differentiate her lessons accordingly, ensuring pupils are kept motivated. Her lessons have been observed by Headteachers, colleagues and during OFSTED inspections, gaining good feedback. Jennifer has a patient manner and has excellent classroom management skills. She provides a positive learning environment, provides clear feedback and always treats pupils fairly and with respect. Jennifer takes an active role in whole school life, working effectively as part of a department and as an individual. Jennifer is happy to take responsibility for extra curricular activities. She is a qualified Multi Activities Instructor and Kayak/Canoe Coach, which has enabled her to supervise residential trips.

20

Ceri | Drama and Media Studies

A Drama and Media specialist whose experience to date has included teaching to all key stages and abilities including GCSE, A' level, SEN and Gifted & Talented. Ceri has a creative teaching style and endeavours to incorporate music, video and PowerPoint presentations as a stimulus for drama. Ceri has facilitated a number of after school Drama clubs, which were both successful and popular with pupils. A very hands-on teacher who has taken an active role in drama productions, assisting with scripts, costumes, rehearsals and music compositions.
